Vice-President Darren Place reported there have been no changes on the Pierce County Fair Truck and Tractor Pull or the fair booth. We still need more volunteers to work both events. For those working at the Truck and Tractor Pull be at the water tower entrance no later than 5:30 p.m. on Friday, August 10th to work. A list was started and Barb will ask for more volunteers when she sends out the next meeting notice reminder.

Darren also reported that the FFA Showdown in Curd Town said we should plan on working at their event next year.

President Johnson reported that the request for ATV/UTV routes to be open 24 hours a day was approved in the Towns of Spring Lake and Gilman, but turned down in the Town of Martell. President Johnson explained the procedure for requests and discussion took place.

Sheldon Huppert reported that he and President Johnson met with Glen Anderson down on the Richardson property to get his opinion on repairs. Glen cannot do the work but suggested bringing in breaker rock as the best option. Discussion took place. Ken Majeski and President Johnson will check on the use of a backhoe and Chuck Gregg will check with Nick Brook and report back to President Johnson tomorrow.

No news on a route from Esdaile to Bay City but discussion took place.

New Business:

The railroad bed in Spring Valley has a few mud holes and needs some maintenance. Chuck Gregg will talk to his son-in-law and try to get them filled in.

President Johnson asked if there was any interest in an appearance at the Plum City Summer Fest on July 20-22. We need visibility and residents from the Town of Union to pursue opening County S and other routes besides just the village of Plum City. No action taken.

President Johnson has most of the new Pierce County ATV maps delivered.

The club members were asked about setting a date to ride to business sponsors who are closed on Mondays which include Vino in the Valley, Common Man Brewing, and Exile and a stop for ice cream at the Ellsworth Creamery. No action taken.

Member Comments:

Sheldon Huppert is working on a large map to display at the fair booth and making good progress. He will mount it on a hard board with a protective covering. Our goal for the fair booth is visibility.

The next meeting will be Monday, July 16th at 6:00 p.m. at the Longbranch in Elmwood. Motion by Sharolyn Johnson, second by Jerry Johnson, to adjourn the meeting at 7:30 p.m. Motion passed.

Respectfully submitted by
Barb Fritz-Muhlhausen
