Old Business:

Guest Nathan Green, town of Oak Grove, inquired about opening up road routes in the Town of Oak Grove. President Larry Johnson explained the procedure. Discussion took place of possible road routes to get from Oak Grove into Trimbelle. Nathan then left to attend the Planning Commission meeting to get ATV routes on July Town Board meeting.

More volunteers are needed to do security at the Pierce County Fair Truck and Tractor Pull. Jerry Johnson and Ron Wilkens were added to the list. We still need more volunteers.

President Larry Johnson informed the group that County N is now signed.

President Johnson has not taken the skid loader down to the Richardson property yet due to wet conditions. Chuck Gregg commented it is very rough. Larry will talk to Richardsons about putting silo staves down on the trail. There is also a mud puddle in the railroad bed in Spring Valley that needs to be filled in. Volunteers are needed to help repair these two areas.

New Business:

ATV/UTV travel on County K was brought up for discussion. An option would be to come in from the north so people could get in and out of Trenton.
