Old Business

Sheldon Huppert reported that he and Gary Huppert have attended several town board meetings to discuss the ATV/UTV ordinances and State Statute 23.33 and responses have been favorable. Gary and Sheldon will continue to attend town board meetings and report on any further updates.

Sheldon reported Gary and Sheldon met with Pierce County Highway Commission Chad Johnson, and Highway Committee Chair Neil Gulbranson on Thursday, January 12th to discuss exactly what is needed from the Pierce County ATV/UTV Association to get all towns on the same page. The towns will be asked to vacate their present ordinances regarding atv/utv's and adopt State Statute 23.33 and add 40 mph speed limits. Forty mph speed limit will be printed on the new maps, and also placed in the new ordinance, and the hours of operation will be removed. Discussion took place with club members regarding the 40 mph speed limit and members were in agreement.

Tina had mailed out the Pierce County ATV/UTV stickers for ATV's and UTV's to the members that needed them or handed out at the meeting.
