Old Business: County Roads update by Jack O'Neil- Jack announced to our membership that all county roads are open with the exception of County F & M and C & V. There is a few restrictions as stated on our Facebook page and the newspaper. This all took a lot of work in attending meetings in the 17 townships and also County meetings to make this happen. Thanks to Larry Johnson, Sheldon Huppert, Gary Huppert, Mark Kinneman, Dave Deiss and Jack O'Neil for all their time on this update.

Signs are all up and a motion made to pay for the signs by Sue Langer and 2nd by John Lewis. The cost is approximately 3000.00. We are the 36th County out of 72 in the state of Wisconsin to open the county roads.

The old signs are being taken down and Gary Huppert will check with the county clerks to see if they want to help in removing them and bring them to Jack O'Neil's and place them in his shed on a pallet. Any questions please contact Jack O'Neil.
